Happy Holidays from the D.R. Moon Memorial Library!

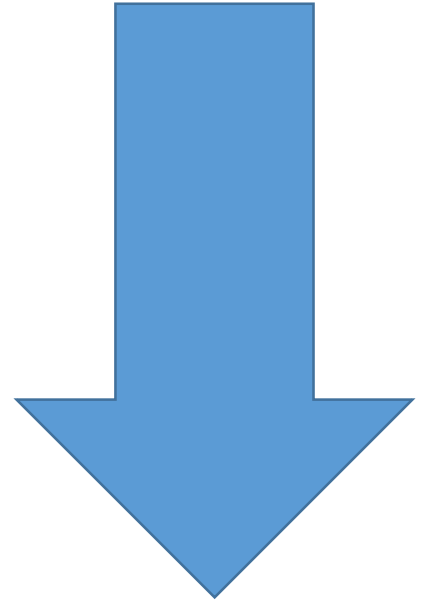

The library has exciting news to share: we are moving forward with our building project and have partnered with River Architects to create the initial design and plans for our much-needed restoration and expansion. Contact library staff at 715-644-2004 or stanleypl@stanleylibrary.org for more details or if you would like to be involved with our building project.

The library is open for you Monday through Friday from 10AM-6PM. Come in to browse, pick up materials, or use the computers and printer. We also have WiFi hotspots and iPads available for checkout at no charge. Curbside pickup is available during our open hours and we offer home delivery for the elderly, at-risk, and home-bound. If you are unable to come to the library, we will deliver your materials to your door!

Our current programs include Storytime, adult book club, Girls Who Code clubs, and Creative Writing Guilds for teens and adults. Go to our website at stanleylibrary.org or pick up a calendar from the library for all library dates and details.

Thank you for making Stanley your place to live, work and play!
